Property Highlights

Mesa Springs Ranch is 4,488 acres of land at the base of historic Glorieta Mesa, only 45 minutes from historic Santa Fe. A beautifully remodeled 7,435 square foot custom adobe hacienda blends perfectly with its environment and is the jewel of the property. One of the largest contiguous tracts in the area, the ranch has 3,888 deeded and 600 Bureau of Land Management (BLM) lease acres. It borders Santa Fe National Forest for six miles along its western edge. The heart of this beautiful ranch are the springs in Manzanares Canyon that provide much-needed water for wildlife. Elk and deer frequent this property, along with bears, coyotes, foxes, and bobcats. Eagles and hawks use the Mesa Edge to search for prey. The topography consists of meadows and hills covered by pinon and juniper trees....
